

Golden Garbage Can Day

WHAT IS IT????

Golden Garbage Can Day is a chance for parents to show their children the importance of recycling.

Did you know that the United States represents 4.6% of the world's population, yet we produce 33% of all trash?

We need all students and their parents to come to the Glen Rock Recycling Center on Doremus Road and recycle their items on **Saturday, February 4, between 9 a.m. - 1 p.m.**

Every student (or immediate family member) is asked to check in with a Byrd school volunteer to be counted as participating with their class. The class with the highest level of participation will be rewarded with an ice cream treat...and the GOLDEN GARBAGE CAN for the year 2012 will reside in their classroom!

Here it comes...the volunteer pitch! **We need 4 adult volunteers per hour.** You will sort plastic bottles and milk/juice cartons. (It's a chance for those with less than stellar karma to move up from flea, to lets say, praying mantis.) Please sign up on the sheet below and dress for the mess....and fun!

Thank you.
