

Ele-bird

by Mrs. Lent's Class

Have you ever heard of
an ele-bird?

It likes to eat a fellow
bird.

It has 2 tusks and also
2 wings,

Along with a beak that
can catch anything!

Ele-birds have colorful
feathers,
They fly around in all
kinds of weather.
If you see a herd of
ele-birds,
Be very quiet and don't
say a word!
