

Animals – Animals

By Ms. Costello's Kindergarten-AM

Animals - Animals...

Some are fast, and some are slow,
Let's sit back and watch them grow.

Will a dog bark at a shark in the dark?
Or will we see a bee in a tree?

Will a goat stick his horns in some thorns?
Or will a bird fly high in the sky eating pie?

What will happen, let us see,
Animals, Animals let them be.
